"It's My Home"

A goldfish is captured mid-jump, leaping out of a clear glass filled with water. The fish is positioned in the upper right quadrant of the frame. The background is a vibrant sunset with a bright orange sun on the left, creating a lens flare effect. The water in the background is a deep blue, and the sky is a mix of orange and blue. The glass is in the foreground, and the water inside it is splashing as the fish jumps. The overall scene is dynamic and visually striking.

Nine people have transitioned from group living arrangements to their own homes

Liberty Corner Enterprises plans to close a 6-bed group home in late 2018
